§  
v. § Case No. 6:20-cv-400-JDK-KNM  
§  
GREG ABBOTT, et al., §  
§  
Defendants. §  
§

**ORDER ADOPTING REPORT AND RECOMMENDATION  
OF THE UNITED STATES MAGISTRATE JUDGE**

Plaintiff Bruce Darnell Dotson, a prisoner within the Texas Department of Criminal Justice, proceeding pro se, filed this civil rights lawsuit pursuant to 42 U.S.C. § 1983. This case was referred to United States Magistrate Judge, the Honorable K. Nicole Mitchell, for findings of fact, conclusions of law, and recommendations for the disposition of the case.

On November 2, 2020, Judge Mitchell issued a Report and Recommendation in this case. Docket No. 10. In that Report, Judge Mitchell found that Plaintiff accumulated at least three strikes prior to filing this lawsuit pursuant to 28 U.S.C. § 1915(g). Accordingly, the Report recommended that Plaintiff's motion to proceed *in forma pauperis* be denied and that the case be dismissed, with prejudice for the purpose of proceeding *in forma pauperis*. Judge Mitchell further recommended that the case should proceed if Plaintiff paid the full filing fee within fifteen days of the dismissal order.

A copy of the Report was sent to Plaintiff, and the docket reflects that Plaintiff received the Report on November 12, 2020. Docket No. 11. To date, Plaintiff has not objected to the Report or otherwise communicated with the Court.

This Court reviews the findings and conclusions of the Magistrate Judge de novo only if a party objects within fourteen days of service of the Report and Recommendation. 28 U.S.C. § 636(b)(1). In conducting a de novo review, the Court examines the entire record and makes an independent assessment under the law. *Douglass v. United Servs. Auto. Ass'n*, 79 F.3d 1415, 1430 5th Cir. 1996) (en banc), superseded on other grounds by statute, 28 U.S.C. § 636(b)(1) (extending the time to file objections from ten to fourteen days). Here, Petitioner did not file objections in the prescribed period. The Court therefore reviews the Magistrate Judge's findings for clear error or abuse of discretion and reviews the legal conclusions to determine whether they are contrary to law. See *United States v. Wilson*, 864 F.2d 1219, 1221 (5th Cir. 1989), cert. denied, 492 U.S. 918 (1989) (holding that, if no objections to a Magistrate Judge's Report are filed, the standard of review is "clearly erroneous, abuse of discretion and contrary to law").

Having reviewed the Magistrate Judge's Report and the record in this case, the Court finds no clear error or abuse of discretion and no conclusions contrary to law. Accordingly, the Court hereby **ADOPTS** the Report and Recommendation of the United States Magistrate Judge (Docket No. 10) as the findings of this Court. The Court hereby **DENIES** Plaintiff's motion for leave to proceed *in forma pauperis* (Docket No. 7). Further, the Court **DISMISSES** Plaintiff's civil rights lawsuit, with

prejudice for purposes of proceeding *in forma pauperis* under 28 U.S.C. § 1915(g), but without prejudice as to the refiling of his lawsuit without seeking *in forma pauperis* status. Finally, if Plaintiff pays the requisite \$400 filing fee within fifteen days of this Order, the lawsuit shall proceed as though the full filing fee had been paid from the outset.

So ORDERED and SIGNED this 12th day of January, 2021.
